

Donaldson Delivers
Engine Liquid Filtration
**Complete Coverage for
Cummins® ISX Engines**

Cummins® is a registered trademarks of Cummins, Inc.

Road Ready – We’ve Got You Covered

You need effective filtration to keep your fleets in operation – and you want complete coverage from one trusted supplier.

The same filtration technology and expertise you’ve come to expect from Donaldson air filters is in every liquid filter we design and manufacture. Donaldson’s line of fuel, lube and coolant filters for Cummins ISX engines is designed to meet the needs of the application while protecting your engine components and improving your overall vehicle maintenance.

Donaldson delivers dependable filters for reliable engine protection and increased uptime.

Built to Perform – and Designed for Durability

Durable, rugged and built to last, Donaldson replacement filters are manufactured to the same quality standards as the original, providing:

- Increased engine protection
- Reduced operating costs
- Increased uptime
- Reduced maintenance

You Have a Choice

You can always choose top-quality Donaldson filters designed specifically for your engines and equipment and – as long as you change them according to the engine manufacturer’s maintenance schedule – using Donaldson filters will not void your engine manufacturer’s warranty.

Donaldson Filtration Products for Cummins® ISX Engines

Lube Filtration

Donaldson offers three different lube filters for Cummins ISX engines that keep oil clean by capturing contaminants that can cause engine damage. Choose the filter that best fits your requirements.

P550949

Cummins 2882674 / Fleetguard LF9080

OEM Efficiency

Reliable contaminant capture and capacity (life). If you've experienced filter plugging due to excessive sludge caused by soot or coolant contamination – this is the filter for you.

P559000

High Efficiency

Increased levels of contamination capture combined with good capacity. Offers a higher level of engine protection than the OE standard.

DBL7900

Cummins 4906633 / Fleetguard LF9031

High Efficiency with Heavy-Duty, Long-Life Seals

If your primary concern is engine protection – this premium filter will deliver with durable seals and heavy-duty potting materials to withstand extreme conditions and hot oil temperatures.

Fuel Filtration

Donaldson fuel filters help prevent premature pump and injector wear by delivering clean fuel to your engine.

Primary

P552203 Spin-on filter for on-engine filtration systems
Cummins 4010476 / Fleetguard FF2203

Complete line of cartridges for DAVCO® Fuel Pro® 380/382 and 482/483 Fuel Processors. Provides the same performance and service features as the original. See Brochure F111295 for complete part coverage details. DAVCO®, Fuel Pro® and EleMax® are registered trademarks of DAVCO Technology, LLC.

Secondary

Donaldson BLUE™

Donaldson Blue™ fuel filters deliver the **cleanest fuel** to your injectors, pumps and engines.

DBF5811 For 15.0L engines
Cummins N/A / Fleetguard FF5811
2010 Engines and Newer

DBF6776 For 11.9L engines
Cummins N/A / Fleetguard N/A
2010 Engines and Newer

P555686 For 15.0L engines
Cummins 3685306 / Fleetguard FF5686
2010 Engines and Newer

P555776 For 11.9L engines
Cummins 2893612 / Fleetguard FF5776
2010 Engines and Newer

P552200 For both 15.0L and 11.9L engines
Cummins 4088272 / Fleetguard FF2200
2010 Engines and Newer

Coolant Filtration

Donaldson coolant filters remove contaminants and maintain cooling system balance – keeping today's hot-running engines cool and reducing downtime.

P550866

Extended service
SCA+ 8 Units
Cummins 4907485 / Fleetguard WF2126

P550867

Extended service
Non-chemical
Cummins 3680434 / Fleetguard WF2127

Donaldson Filtration Products for Cummins® ISX Engines

Donaldson Part No.	Cummins	Fleetguard
Primary Fuel Filtration		
 P552203 • Efficiency: 95% @ 140µm	4010476	FF2203
