

Donaldson Delivers  
**Filtration Solutions for  
Light-Duty Trucks**

Quality and value to help you  
go the extra mile.

# Protect your investment and keep your business driving with high-performance filtration.

Downtime means lost revenue. To keep your equipment in service you need filters that deliver **superior performance** – and a **reliable supplier** that offers complete coverage for your entire fleet.

With Donaldson protection, your engines and equipment will operate longer between filter replacements, saving on costly downtime and repairs. And adding a Donaldson filtration system to your bulk fuel and lube storage will go even further toward protecting your equipment and maximizing uptime.

**Depend on Donaldson when every operating hour counts.**

## Innovative filtration solutions for engines, equipment and the people who use them.

- **Broad Product Coverage** – air, lube, fuel, and transmission filters, plus filtration for in-bed transfer tanks
- **Consistent Product Availability** – the filters you need, when you need them
- **Comprehensive Customer Service** – experienced and knowledgeable sales and technical support teams
- **Distribution That Makes a Difference** – support from exceptional partners that know your equipment and are quick to respond
- **Warranty** – industry leading coverage
- **Far Reaching Field Support** – Donaldson Representatives are nearby and ready to assist
